BID NUMBER: LC-000023
ADDENDUM NUMBER: 2
PURCHASER: Michele Goff

COMMODITY: Lighting Retrofit and Related Services
USING AGENCY: North Carolina Education Lottery
OPENING DATE/TIME: November 23, 2009, 4:00 pm EST

QUESTIONS AND ANSWERS:

- 1.) **We are an energy company headquartered in Chicago with partners in North Carolina. In order to determine if we should send a rep to the meeting on 11/12, I was hoping to get some more information on the magnitude of the project. Can you share any budget estimates and/or approximate numbers of lamps and fixtures involved in the retrofit?**

There are an estimated 550 fixtures, the majority of them being 3 tube fixtures, with a small number being 2 and 4 tubes. There are also a small number of 2 foot and 6 foot fixtures. Each contractor should make the final count during the site visit.

- 2.) **I was wondering what the specifications were for the lighting retrofit? If there are LED lighting replacements for the retrofits, can we bid with those LED products?**

The lighting supplied has to be eligible for the Progress Energy rebate. Please refer to the following website for information regarding Progress Energy's "Energy Efficiency for Business Program".
